Core functions for pycisTarget and the SCENIC tool suite

QUICKSTART

ctxcore is available on PyPI and can be installed with [pip](#).

```
$ pip install ctxcore
```

After installing ctxcore you can use it like any other Python module.

Here is a simple example:

```
import ctxcore  
# Fill this section in with the common use-case.
```

The [API Reference](#) provides API-level documentation.
